RE: The June 5, 2002 letter from Brandy Phillips of the FEC to USTA in reference to the December 2001 Monthly Report

The contribution in question as identified in the above-referenced letter sent by the FEC was never deposited by the Bayou Leader PAC. In USTA's February 2002 monthly FEC report, USTA PAC reported the \$1,500 contribution to Bayou Leader PAC as a negative disbursement indicating the check was never deposited. Therefore, the total amount contributed by USTA PAC to the Bayou Leader PAC in calendar year 2001 was \$5,000.
